

Readers: Wer ist eigentlich...?

Level	A1-B1
Target group	For students aged 16+
Use	For reading in German as a Foreign Language

- › Reading series showcasing well-known personalities from science, politics, culture and society
- › Three different factual texts provide insights into their biography (life), achievements (work) and place them in direct relation to current contemporary issues (impact).
- › With different text types, word explanations, charts and diagrams
- › Additional reading comprehension exercises with solutions available as download or via the Klett Augmented App
