

# Wir alle

## Wir alle German for young learners

- Small learning stages for a faster success
- Recurring exercise types make learning easier
- Clear orientation through transparent learning objectives

<b>Level</b>	A1, A2, B1
<b>Target group</b>	For children and teenagers aged 10 +
<b>Use</b>	Particularly suitable for courses with a few hours per week

- › Three-volume beginners' course, also available as six-volume edition
- › Photo stories based on a family from Berlin present all the new topics and enable a true-to-life, intercultural learning experience
- › Grammar clips support solving exercises on your own and bring structure to new grammar input
- › Transparent learning goals are checked at the end of each module and supported by additional online exercises
- › Digital materials provide fun and variety
- › Pages on culture and regional studies including films familiarize students with the German-speaking countries
- › Speaking exercises to consolidate vocabulary and simple structures
- › Reading, listening, writing, free speaking and mediation skills are comprehensively practised
